

## PLATES

- 1 . Area 6AFB: General view seen from south.
- 2 . Uwanabe mound: General view.
- 3 . Area 6AFB-I·J: General view, 1) Seen from north.  
2) Seen from south.
- 4 . Area 6AFB-J: 1) General view seen from west. 2) Remains of structure SB437 seen from north. 3) Sites of gutter SD441 and structure SB444 seen from east.
- 5 . Area 6AFB-I: 1) Site of gutter SD453 and structure SB455 seen from north. 2) Remains of structure SB555 seen from west.
- 6 . Area 6AFB-I: 1) Remains of structure SB470 seen from south. 2) Site of structure SB470 and gutter SD485 seen from west.

7. Area 6AFB-I: 1) Remains of structures SB471 and 482 and gutter SD497 seen from north. 2) Site of gutter SD485 seen from west. 3) Same gutter seen from east.
8. Area 6AFB-H: General view seen from west, 1) Upper layer. 2) Middle layer. 3) Lower layer.
9. Area 6AFB-H: Remains of structures SB501, 502 and 504, 1) Seen from south. 2) Seen from north. 3) Seen from east.
10. Area 6AFB-H: Site of structures SB480 and 490 and gutter SD485, 1) Seen from north. 2) Seen from east. 3) Seen from west.
11. Area 6AFB-H: 1) Remains of structures SB481 and 482 seen from east. 2) Remains of structure SB490 seen from west.
12. Area 6AFB-H: General view of the site of gutter SD485 seen from north.
13. Area 6AFB-H: Detail of gutter SD485, 1) Seen from south. 2) Seen from north.
14. Area 6AFB-H: Remains of structure SB510, 1) Seen from south. 2) Seen from west. 3) Seen from east.
15. Area 6AFB-G: Site of garden pond SG520, 1) Seen from west. 2) Seen from east.
16. Area 6AFB-G: Detail of SG520, 1) Seen from north. 2) Seen from west.
17. Area 6AFB-F•G: 1) General view seen from west. 2) Remains of structure SB530 seen from west. 3) Remains of structure SB550 seen from south.
18. Area 6AFB-F: 1) General view seen from west. 2) Site of fences SA553 and 554 and structure SB556 seen from south. 3) Remains of structures SB560 and 565 seen from east.
19. Area 6AFB-H•I: 1,2) Well SE495. 3) Well SE466.
20. Area 6AFB-F•G•I: 1) Well SE545. 2) Well SE464. 3) Well SE525.
21. Area 6AFB-G•F: 1) Site of great avenue SX600 and gutter SD650 seen from south. 2) Great avenue SX600 seen from north. 3) Same avenue seen from south.
22. Area 6AFB-A~E: 1) Site of gutter SD650 seen from north. 2) Site of great avenue SX600 and gutter SD650 seen from south.
23. Area 6AFB-C•D: 1) Site of great avenue SX600 seen from east. 2) Site of gutter SD611 and fence SA617 seen from south. 3) Same site seen from north.
24. Area 6AFB-A•B•D: 1,2) Portion of gutter SD650 seen from

- north. 3) Same seen from south.
25. Uwanabe Mound: 1) General view seen from east. 2) Same seen from south.
  26. Uwanabe Mound Area P: 1) Eastern portion of outer embankment seen from west. 2) Detail of protective layer of stones.
  27. Uwanabe Mound Area O: Outer embankment seen from west.
  28. Uwanabe Mound Area L: Outer embankment and moat seen from north.
  29. Uwanabe Mound Area L: 1) Outer embankment and remains of *haniwa* cylinders seen from north. 2) Depressions indicating placement of *haniwa* cylinders seen from south. 3) Row of *haniwa* cylinders seen from north.
  30. Uwanabe Mound Area L: 1) Outer embankment and remains of row of *haniwa* cylinders seen from east. 2) Detail of *haniwa* cylinders. 3) Detail of depressions from *haniwa* cylinders.
  31. Uwanabe Mound Area L: 1) Outer embankment and moat seen from west. 2) Same seen from south. 3) Row of *haniwa* cylinders seen from south.
  32. Hiratsuka Mound I: 1) Mound and northern portion of the moat seen from north. 2) Waist of the mound seen from north. 3) Mound and southern portion of the moat seen from west.
  33. Hiratsuka Mound I: 1) Mound and southern portion of the moat seen from south. 2) Row of *haniwa* cylinders at the waist of the mound seen from west. 3) Protective layer of stones on the northern slope of the mound seen from north.
  34. Hiratsuka Mound II: 1) Mound and surrounding moat seen from north. 2,3) Mound and western portion of the moat seen from west.
  35. Hiratsuka Mound II: 1) Protective layer of stones on the western slope of the mound seen from north. 2,3) Protective layer of stones on the northern slope of the mound seen from east.
  - 36~40. Wooden tablets excavated from gutter SD485.
  - 41~45. Wooden tablets excavated from gutter SD650.
  - 46•47. Round and curved roof-edge tiles.
  - 48~50. Round roof-edge tiles.
  51. Curved roof-edge tiles.
  52. Curved roof-edge tiles and others.
  53. Green-glazed bricks with wave pattern.
  54. Demon tiles (*Onigawara*).

- 55~57. Red pottery (*Haji* ware) excavated from gutter SD485.  
 58~63. Grey pottery (*Sue* ware) excavated from SD485.  
 64. Ink stone and terracotta horse excavated from SD485.  
 65. Pots and sherds with inscriptions excavated from SD485.  
 66•67. Red pottery excavated from gutter SD650A.  
 68•69. Grey pottery excavated from SD650A.  
 70. Proto-black pottery excavated from SD650A.  
 71. Ash-glazed pottery excavated from SD650A.  
 72. Green-glazed pottery excavated from SD650A.  
 73. Green-glazed pottery and porcelain excavated from gutter SD650.  
 74. Red pottery excavated from gutter SD650B.  
 75. Grey pottery excavated from SD650B.  
 76. Proto-black pottery excavated from SD650B.  
 77. Ash-glazed pottery excavated from SD650B.  
 78. Green-glazed pottery excavated from SD650B.  
 79. Ink stone and terracotta horses excavated from SD650.  
 80. Pots and sherds with inscriptions excavated from SD650.  
 81•82. Lacquer ware excavated from SD650.  
 83~85. Wooden objects excavated from SD485.  
 86~98. Wooden objects excavated from SD650.  
 99~101. Coins excavated from SD650.  
 102•103. Metal objects excavated from SD650.  
 104. Stone objects excavated from SD650.  
 105. *Haniwa* excavated from Uwanabe Mound.  
 106. *Haniwa* and pottery excavated from Uwanabe Mound.  
 107. *Haniwa* excavated from Hiratsuka Mound II.  
 108. *Haniwa* excavated from Hiratsuka Mound I.  
 109. *Haniwa* excavated from Hiratsuka Mound II.
